Initiatives to promote LED Adoption

Allan Horn

Initiatives To Promote LED Adoption

- Initiatives, fall into 4 groups

Standards

Legislative & Regulatory

Voluntary

Fiscal

Initiatives To Promote LED

Adoption

- Many, many, initiatives; legislative, voluntary, fiscal
 - Global
 - Regional
 - National
- All good and the correct intention, but lack of alignment
 - Information exchange?

Initiatives To Promote LED Adoption Standards

Standards	Legislative & Regulatory	Voluntary	Fiscal
-----------	--------------------------	-----------	--------

	Safety (mandatory)	Performance

Initiatives To Promote LED Adoption

Legislation & Regulation

Standards

Legislative & Regulatory

Voluntary

Fiscal

- The European Industry strongly supports the future EcoDesign Regulation part 2 for directional household lamps
- The industry wishes that this future Regulation will cover LED lamps and Modules for ALL applications, not only for the household ones
 - Future Regulation should be based like the 245/2009 one on technology and not on application

Initiatives To Promote LED Adoption

Voluntary

Standards

Legislative & Regulatory

Voluntary

Fiscal

- Possible new EU Quality Charter for LED
- International Energy Agency (IEA) 4E S: project
 - = > excellent platform to exchange information at international level!
- Various other EU projects

International Energy Agency

PHOTONICS²¹
European Technology Platform

Initiatives To Promote LED Adoption

Fiscal

Standards

Legislative & Regulatory

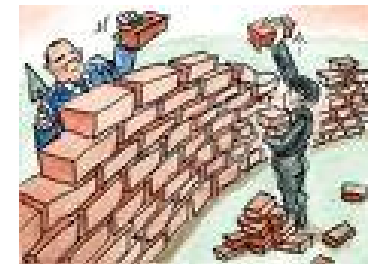

Voluntary

Fiscal

- There are many initiatives in the world

- Note: some countries are supporting their national LED industry
